Re: *Ex Parte* Presentation of American Cable Association, Public Notice, Temporary Freeze on Applications for New or Modified Fixed Satellite Service Earth Stations and Fixed Microwave Stations in the 3.7-4.2 GHz Band, 90-Day Window to File Applications for Earth Stations Currently Operating in 3.7-4.2 GHz Band, GN Docket Nos. 17-183, 18-122, DA 18-398 (Apr. 19, 2018)

Dear Ms. Dortch:

On April 26, 2018, Ross J. Lieberman, Senior Vice President, Government Affairs, American Cable Association (“ACA”), Mary Lovejoy, Vice President of Regulatory Affairs, ACA, Georgios Leris, Steptoe & Johnson LLP and the undersigned participated in a conference call with the following representatives from the International Bureau: Thomas Sullivan; Jennifer Gilseman; Kerry Murray; and Paul Blais.

In the call, ACA proposed certain clarifications to the above-captioned Public Notice as reflected in the clarification request also being filed today.

Respectfully submitted,

/s/
Pantelis Michalopoulos
Counsel for American Cable Association
